EXPLANATION OF MATERIAL TRANSMITTED:

This Departmental Manual Release updates 900 DM 1 – Emergency Management Program Policy, Responsibilities, and Requirements. The update aligns the Department’s Emergency Management Program policy with significant changes to emergency management law, Executive Orders, and Federal guidance established since the policy was issued in 2006.

The updated chapter sets forth policies, functions, and responsibilities for an integrated, coordinated and comprehensive Departmental Emergency Management Program. The policies and requirements ensure that the Department provides the necessary resources and systems to prevent, protect against, mitigate the effects of, respond to, and recover from an incident; declared Emergency, and/or Major Disaster; or special event consistent with the Department’s responsibilities, applicable laws, regulations, and other legal authorities.

As a result of the update to 900 DM 1, the following chapters are no longer needed and are archived:

- 190 DM 1 - Emergency Preparedness: Basic Organizational Arrangements,
- 295 DM 1 - Disaster Assistance: General Program Delegations, and
- 905 DM 1 - Disaster Assistance: Policy, Functions, and Responsibilities.
